**MADALENA ANNOUNCES SALE OF NON-CORE CANADIAN PROPERTIES**

**Madalena Ventures Inc.** ("Madalena" or the "Corporation") is pleased to announce that it has completed the sale of its non-core Canadian oil and gas properties.

Madalena received cash consideration of \$554,000.00 for the properties which currently produce approximately 20 barrels of oil equivalent per day and are located in the Edson and Brazeau areas of Alberta. The sale of the properties is subject to final regulatory approval and industry standard adjustments.

Madalena will continue to focus its exploration and development efforts on its international core properties located in Argentina and Tunisia.

Madalena is a publicly traded international junior Canadian oil and gas exploration company trading on the TSX Venture Exchange under the symbol "MVN". The Company has assets in Canada, Tunisia and Argentina and is actively evaluating international oil and gas opportunities with a primary focus on South America and North Africa.

Forward Looking Statements

The information in this news release contains certain forward-looking statements. These statements relate to future events or our future performance. All statements other than statements of historical fact may be forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as "seek", "anticipate", "plan", "continue", "estimate", "approximate", "expect", "may", "will", "project", "predict", "potential", "targeting", "intend", "could", "might", "should", "believe", "would" and similar expressions. These statements involve substantial known and unknown risks and uncertainties, certain of which are beyond the Corporation's control, including: the impact of general economic conditions; industry conditions; changes in laws and regulations including the adoption of new environmental laws and regulations and changes in how they are interpreted and enforced; fluctuations in commodity prices and foreign exchange and interest rates; stock market volatility and market valuations; volatility in market prices for oil and natural gas; liabilities inherent in oil and natural gas operations; uncertainties associated with estimating oil and natural gas reserves; competition for, among other things, capital, acquisitions, of reserves, undeveloped lands and skilled personnel; incorrect assessments of the value of acquisitions; changes in income tax laws or changes in tax laws and incentive programs relating to the oil and gas industry; geological, technical, drilling and processing problems and other difficulties in producing petroleum reserves; and obtaining required approvals of regulatory authorities. The Corporation's actual results, performance or achievement could differ materially from those expressed in, or implied by, such forward-looking statements and, accordingly, no assurances can be given that any of the events anticipated by the forward-looking statements will transpire or occur or, if any of them do, what benefits that the Corporation will derive from them. These statements are subject to certain risks and uncertainties and may be based on assumptions that could

cause actual results to differ materially from those anticipated or implied in the forward-looking statements. The Corporation's forward-looking statements are expressly qualified in their entirety by this cautionary statement. Except as required by law, the Corporation undertakes no obligation to publicly update or revise any forward-looking statements. Investors are encouraged to review and consider the additional risk factors set forth in the Corporation's Annual Information Form which is available on SEDAR at [www.sedar.com](http://www.sedar.com).

Neither the TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
