**MADALENA ANNOUNCES AGREEMENT TO SELL TUNISIAN PROPERTY**

**Madalena Ventures Inc.** and its wholly owned subsidiary, Madalena Ventures International Inc. (“Madalena” or the “Corporation”), is pleased to announce that it has signed a sale and purchase agreement with Storm Ventures International Inc. for the sale of the Corporation’s interest in the Remada Sud Permit in Tunisia.

Madalena will receive cash consideration of US\$4 million for the property which currently produces approximately 25 barrels of oil per day net to Madalena. The sale of the property is subject to TSX Venture Exchange approval and industry standard adjustments.

Proceeds from the sale will be used for the ongoing exploration and development of the Corporation’s core high working interest projects in the Neuquén Basin of Argentina.

Madalena is a publicly traded international junior Canadian oil and gas exploration company trading on the TSX Venture Exchange under the symbol “MVN”. The Company is actively evaluating international oil and gas opportunities with a primary focus on South America.

**MADALENA VENTURES INC.**

On behalf of the Board

"Ken Broadhurst"

Ken Broadhurst, President

Forward Looking Statements

The information in this news release contains certain forward-looking statements. These statements relate to future events or our future performance. All statements other than statements of historical fact may be forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as “seek”, “anticipate”, “plan”, “continue”, “estimate”, “approximate”, “expect”, “may”, “will”, “project”, “predict”, “potential”, “targeting”, “intend”, “could”, “might”, “should”, “believe”, “would” and similar expressions. These statements involve substantial known and unknown risks and uncertainties, certain of which are beyond the Corporation’s control, including: the impact of general economic conditions; industry conditions; changes in laws and regulations including the adoption of new environmental laws and regulations and changes in how they are interpreted and enforced; fluctuations in commodity prices and foreign exchange and interest rates; stock market volatility and market valuations; volatility in market prices for oil and natural gas; liabilities inherent in oil and natural gas operations; uncertainties associated with estimating oil and natural gas reserves; competition for, among other things, capital, acquisitions, of reserves, undeveloped lands and skilled personnel; incorrect assessments of the value of acquisitions; changes in income tax laws or changes in tax laws and incentive programs relating to the oil and gas industry ; geological, technical, drilling and processing problems and other difficulties in producing petroleum reserves; and obtaining required approvals of regulatory authorities. The Corporation’s actual results, performance or achievement could differ materially from those expressed in, or implied by, such forward-looking statements and, accordingly, no assurances can be given that any of the events anticipated by the forward-looking statements will transpire or occur or, if any of them do, what benefits that the Corporation will derive from them. These statements are subject to certain risks and uncertainties and may be based on assumptions that could

cause actual results to differ materially from those anticipated or implied in the forward-looking statements. The Corporation's forward-looking statements are expressly qualified in their entirety by this cautionary statement. Except as required by law, the Corporation undertakes no obligation to publicly update or revise any forward-looking statements. Investors are encouraged to review and consider the additional risk factors set forth in the Corporation's Annual Information Form which is available on SEDAR at [www.sedar.com](http://www.sedar.com).

Neither the TSX Venture Exchange nor its Regulation Service Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
